

Project281

Functions

Welcome.

Along Albert Street in the heart of Brunswick, Project281 thrives as a cultural hub for locals and visitors alike. Taking pride in our quality of service, unique and high-grade food offerings, in-house coffee roaster, full bar with extensive cocktail knowledge and our one of a kind award nominated garden fit-out. Friendly staff interactions and funky vibes await you and your party at Project281.

Day Functions.

Project281 accept weekday bookings between the hours of 7am-4pm with a minimum party size of 30ppl and maximum of 50ppl. You will be allocated a space amongst the venue as regular trade proceeds elsewhere. Any party sizes less than 30ppl can be accommodated for with a standard booking and will be limited to our regular daytime menu offerings which can be found on our website.

To make a daytime booking for a party less than 30ppl please call us on 0390806119

Night Functions.

Project281 accept night bookings between the hours of 6pm-11.30pm with a minimum party size of 60ppl and maximum of 120ppl. Currently, as we are only open to the public for daytime trade, night functions are treated as exclusive events for your party and no outsiders. These types of functions require extra provisions be put in place (such as security) and as such may incur extra quoted fees. Subsequently as the venue is only occupied by your party, extra options (such as decorations and control of our hifi system) are available too upon inquiry.

Our Space.

Our space is divided into 6 separate sections. Front Courtyard, Left Lower Garden, Right Lower Garden, Herb Garden Mezzanine, Coffee Roasting Workshop and the newly added Street Side. Please note, our coffee roasting area is strictly not for public access during functions.

Day Functions are limited to our Indoor Herb Garden Mezzanine area as they take place on weekdays during trading hours.

Regarding **Night Functions**, party size will dictate the availability of our sections. For 60-90ppl we will make our entire venue with the exception of our Herb Garden Mezzanine (and coffee roasting area) available for attendees to traverse. Party sizes of 90-120ppl allow us to open the Herb Garden Mezzanine as well.

Our Front Courtyard is a multi-purpose area that can be allocated to smokers, or diners, however not both. This area also can be transformed depending on weather conditions, or upon request, using the electric roof cover and also street facing blinds. This area is also fitted with more than adequate heating solutions for cold days and nights.

Packages

We have created multiple variations of our offering. This is done with the hope that there will be an applicable package suited to your parties needs.

Please understand that our liquor license is not a bar license, meaning we are unable to serve exclusively alcohol. As a result all packages do contain food out of necessity.
